PREAMBLE

THIS AGREEMENT entered into by the City of Camden, hereinafter referred to as the "City" and Camden Council No. 10, New Jersey Civil Service Association, hereinafter referred to as "Council 10", has as its purpose the promotion of harmonious relations between the City and Council 10; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment.

ARTICLE I RECOGNITION

THE CITY, in accordance with the Certification of Recognition granted by the Public Employment Relations Commission, recognizes Council 10 as the exclusive representative for collective negotiation concerning salaries, wages, hours and other terms and conditions of employment for all City employees in the job titles set forth in Appendix 1 attached hereto. It is agreed that in the event the City creates new job titles conforming to the terms of the Certification of Recognition such titles shall be covered by this Agreement. Disputes as to the inclusion of new titles in the bargaining unit shall be resolved by arbitration in the manner set forth herein. This recognition, however, shall not be interpreted as having the effect of in any way abrogating the rights of employees as established under N.J.S.A 34:13A-I et. seq.

No new titles covered by this Agreement or compensation for such shall be established on the Salary and Wage Ordinance of the City of Camden without prior negotiation with Council 10.

ARTICLE II
CHECK OFF AND AGENCY SHOP

- A. The City agrees to deduct Council 10 monthly dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the City by the Treasurer of Council 10 and the appropriate deductions of all employees shall be remitted monthly to the Treasurer of Council 10 together with a list of the names of all employees for whom the deductions are made. Remittance shall be made by the 10th day of the month immediately succeeding the month in which the deductions are made.
- B. Any written designation to terminate the deduction of Council 10 dues must be received in writing by the City and Council 10 and filing of notice of withdrawal shall be effective to halt deductions as of January 1, or July 1, next succeeding the date on which the notice of withdrawal is filed.
- C. The City agrees to deduct an amount equal to Council 10's initial membership fee from an employee's wages, upon proper notice by Council 10 to the City, and remit it, forthwith, to Council 10.
- D. Upon the request of the Union, the Employer shall deduct a representation fee from the wages of each employee whose title is covered by this Agreement and who is not a member of the Union.
- E. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after re-entry into employment in the unit.
- F. The amount of said representation fee shall be certified to the Employer by the Union, which amount shall not exceed 85% of the regular membership dues, fees and assessments charged by the Union to its own members.
- G. The Union agrees to indemnify and hold the Employer harmless against any liability, cause of action or claims of loss whatsoever arising as a result of said deductions.
- H. The Employer shall remit the amounts deducted to the Union monthly, on or before the 15th of the month following the month in which said deductions were made, along with a list of the names of all employees for whom the said deductions were made.
- I. The Union shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.4(2) and (C) and (3) (P.L. 1979, c. 477), and membership in the Union shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system, or if membership is not so available, the Employer shall immediately cease making said deductions.

ARTICLE III SENIORITY

- A. Except where the New Jersey Department of Personnel regulations require otherwise, the employee with the greatest amount of seniority shall be given preference, provided the employee has the ability to perform the work with respect to demotions, layoffs, recalls, vacation schedules and holidays. Seniority shall be a consideration but not the sole factor in filling new or vacant positions, assigning work, and in shift, schedule or sectional assignments.
- B. In cases of equal seniority, preference will be given to qualified veterans before non-veterans.
- C. Seniority for all purposes is defined as the accumulated length of continuous service with the City computed from the last date of hire. An employee's length of service shall not be reduced by time lost due to authorized leave of absence or absence for bona fide illness or injury certified by a physician not in excess of one (1) year.
- D. The City shall maintain an accurate, up to date seniority roster showing each employee's date of hire, classification and pay rate and shall be made available to Council 10 upon reasonable request. The employment records of the City of Camden shall be deemed compliance with this section.
- E. Employees who are laid off from a permanent position through New Jersey Department of Personnel (NJDOP) layoff procedures and are rehired to permanent positions under NJDOP procedures, through reemployment rights or open competitive examination, within five (5) years, will retain their seniority from their prior service with the City for longevity, sick, vacation, salary step placement and severance pay purposes.

ARTICLE IV WORK SCHEDULES

- A. The regular work week shall consist of five (5) consecutive days, Monday through Friday, except for employees in continuous operations. However, where the City determines that services need to be provided on a regular basis on other days of the week, the City may establish other work schedules for employees so long as such alternate work schedules consist of five (5) consecutive days. If the City determines to establish other than Monday through Friday work schedules, or when openings exist on such schedules subsequently, the new alternate work schedule(s) shall be posted in advance for a reasonable period of time in the area(s) where notices to employees are normally posted and employees shall be afforded the opportunity to indicate their interest by signing up for such new alternate schedules. Seniority as well as employee interest shall be considerations but not the sole factors when assigning employees to an alternate work schedule. An employee's regular work schedule shall not be changed without at least ten (10) working days notice to the affected employee. Except for extenuating circumstances, no employee shall have his/her regular work schedule changed more frequently than once every six (6) months.

- B. The regular starting and ending time of work shifts shall be as currently exists as of the date this Agreement is signed and shall not be changed without reasonable notice to the affected employees and without first having discussed such changes and the needs for same with representatives of Council 10.

However, where the City determines that services need to be provided on a regular basis during other times of the work day as well, the City may establish different starting and ending times for specific positions. If the City determines to establish alternate work hours for a position(s), the position(s) with the alternate work hours shall be posted in advance for a reasonable period of time in area(s) where notices to employees are normally posted and employees shall be afforded the opportunity to indicate their interest by signing up for such new alternate work hours. Seniority as well as employee interest shall be considerations but not the sole factors when assigning employees to alternate work hours. An employee's regular work hours will not be changed without at least ten (10) working days notice to the affected employee. Except for extenuating circumstances, no employee shall have his/her regular work hours changed more frequently than once every six (6) months.

- C. Where the nature of the work involved requires continuous operations on a twenty-four (24) hours per day, seven (7) days per week basis, employees so assigned will have their schedules arranged in a manner which will assure, wherever practical, on a rotation basis, that all employees in a given title will have an equal share of Saturdays and Sundays off, distributed evenly throughout the year.

- D. Where more than one (1) work shift per day within a given classification is in effect, employees within such classification will be given preference of shifts in accordance with their seniority, provided such employee is qualified to perform the job. Such preference will be exercised only when vacancies occur or when for other reasons changes in the number of employees per shift are being made. In no instance where preferences are to be exercised will a senior employee be required to wait longer than one (1) year after such contingency occurs.
- E. Work schedules of employees on continuous operations shall be arranged so as to provide at least four (4) days off within a given pay period of fourteen (14) days (ten working days). This will not be violated if an employee's supervisor requires such person to work on his day off if an emergency arises.
- F. Whenever an employee is delayed in reporting for a scheduled work assignment, he/she shall endeavor to contact a supervisor in advance, if possible. An employee who is more than thirty (30) minutes late may be denied the opportunity to work the balance of his/her scheduled shift. An employee who has a reasonable excuse and is thirty (30) minutes late or less shall not be denied the opportunity to work the balance of his/her scheduled shift.

ARTICLE V OVERTIME

Overtime payments shall be made in accordance with the Fair Labor Standards Act unless otherwise stated in this contract.

- A. Overtime refers to any time worked beyond the regular hours of duty, as presently scheduled, and is granted only when the employee is ordered to work by a supervisor. Overtime worked shall be paid at the rate of time and one-half for all hours worked in excess of 40 in the work week. Notwithstanding any other provision, overtime worked will be paid at the rate of time and one half for Holidays. Such overtime must be granted in writing by the Supervisor directing the same prior to the employee commencing work or in case of emergency, as soon thereafter as possible.
- B. Overtime work will be distributed as equally as possible among employees within the classification performing the work in question so long as the employee is capable of performing the work. A list of employees will be maintained showing overtime offered by the City to the employees in a given title. If overtime is worked the employee at the top of the list working the overtime will go to the bottom. Anyone offered overtime who is excused from such work shall have his/her name placed at the bottom of the list. Nothing in this Article shall impair the right of the City to require an employee to work overtime and an employee shall not, without reasonable justification, be permitted to refuse to work overtime when requested.
- C. Overtime shall be paid currently or at least no later than the second pay period after the overtime is performed.
- D. No employee shall have his/her regular work schedule, regular work hours, or regular days off changed for the purpose of avoiding payment of overtime.
- E. The employer shall not reduce the work crew for the purposes of avoiding payment of overtime. This section shall not infringe upon the City's right to eliminate positions for economy reasons, subject to the rules of Civil Service.
- F. The City and Council 10 agree that in lieu of cash payment for overtime provided in this Agreement, employees who are not exempt from the Fair Labor Standards Act (FLSA) may opt to accept comp. time. The comp. time shall be accumulated at straight time for those hours worked up to forty (40) hours per work week and any hours over forty (40) hours worked in that week shall be accumulated at time and one-half. In no case shall comp. time accumulated exceed 240 hours. Any time accumulated shall be utilized by the employee as approved by the department head within two years. Any time not used or still to the employees' credit when they leave the City's employment shall be paid at the higher of either the employees' rate at that time or the average three year rate prior to payment.

Regardless of other provisions of this agreement, the City and any employee shall have the right to utilize a time off plan for work needed beyond the normal scheduled work day. This plan shall enable employees to work special assignments provided that such time worked will be taken off from the regular scheduled work hours within that same pay period. Any such hours which may cause the employee to work more than forty (40) hours per week shall be taken off at time and one-half.

Employees who are exempt as per the FLSA shall be entitled to work as stated in Section A of this Article or opt to work for straight time for comp time or for time off plan, unless otherwise agreed to by the Collective Bargaining Unit and the City.

- G. The City of Camden and Council #10 intend to reach a separate agreement on overtime distribution in the City Department of Public Works.

**ARTICLE VI
CALL IN TIME**

- A. No employee shall be requested to return to work, after or before his regularly scheduled shift, for less than four (4) hours. In the event the employee shall be called into work one (1) hour or more he/she shall be paid for four (4) hours. If the employee shall work more than four (4) hours, he shall be paid for a full days work. If the four (4) hour period overlaps with the regularly scheduled shift the employee shall receive additional pay only for that part of the four (4) hour period occurring prior to the start of the regular shift. It is understood that the City has the option of directing such employee to perform duties other than those for which he/she was called for the full four (4) hour period.
- B. Call in time shall be considered as time worked. Call in time shall be paid at straight time except where all or part of the four (4) hours minimum results in time worked in excess of forty (40) hours per week. Time and one-half shall be paid for all hours worked in excess of forty (40) hours per week.
- C. Employees of Municipal Court shall be granted a minimum of four (4) hours overtime for working Court at night in such circumstances where the schedule calls for them to finish their normal work day and report back after an hour or more has elapsed. The four hours of overtime shall be paid at straight time except where all or part of the four (4) hours minimum results in time worked in excess of forty (40) hours per week. Time and one-half shall be paid for all hours worked in excess of forty (40) hours per week.

ARTICLE VII RATES OF PAY

- A. Rates of compensation provided for in these regulations are fixed on the basis of full-time service in full time positions. If any position is, by action of the City established on a basis of less than full-time service, or if, with approval of the City, the incumbent of any full-time position is accepted for employment on a part-time basis only, the rate of compensation provided for the position, (unless otherwise stated) shall be proportionately reduced in computing the rates of compensation payable for part-time service.
- B. Nothing contained herein shall prevent the City from giving any employee covered by this Agreement a raise, providing advance notice of such intention is given to Council 10 a reasonable length of time prior to such action being taken.
- C. The salary ranges authorized under this Agreement shall be interpreted as exclusive of any bonus payments or longevity pay as set forth herein.
- D. During the term of this Agreement the pay scales will not be reduced unless by mutual consent of both parties.
- E. Any employee who performs work in a higher paid classification than his own shall be temporarily assigned and certified for such payment for such work:

In the "A" or white collar unit, any employee working in excess of fifteen (15) consecutive work days in a higher title shall be paid at the rate of pay of such higher title. Such rate of pay shall be at the first increment level exceeding his/her present salary level.

In the "B" or blue collar unit, each day that an employee performs work in said higher classification, with any prior accumulation of time, the employee shall be paid the rate of pay for the higher title. Such rate of pay shall be at the first increment level exceeding his/her present salary level which results in a pay increase of at least fifty cents (\$.50) per hour.

Whenever a Communications Clerk is required to work in the capacity of Communications Operator, the employee shall be paid the rate of pay applicable to Communications Operator for each hour worked in that classification.

- F. An employee shall be paid the rate of pay for his own classification when performing work of a lower paid classification.
- G. The City agrees that if demolition work resumes, it will negotiate an adjustment in pay for employees engaged in such demolition work.

- H. All Department of Public Works employees who earn and maintain a CDL license but who are not required by law to possess such a license as a result of their title shall be paid an additional \$350 per year. All employees who hold CDL licenses, whether required by their title or not, shall be paid an additional \$75 per year for each endorsement they earn and maintain so long as the endorsement is related to a job function performed by the department and is not required by law as a result of their title. Such payments shall be made at the time of the first pay of July each year and shall start with the first pay of July 2005 for those employees that possess a CDL and/or endorsement.

The City will identify its needs for CDL endorsements and provide a report of such needs to Council #10.

All Department of Public Works employees who earn and maintain a Certified Public Works Manager certification shall be paid an additional \$350 per year.

- I. In the even that fixed shifts are established for employees in Police Communications, the parties agree to negotiate any potential implications and the impact upon bargaining unit employees.

**ARTICLE VIII

The two new steps shall be added below the existing Step 1 as agreed between the parties.

Employees will be evaluated no later than ninety (90) days in the title. Employees whose performance is considered unsatisfactory during this working test period may be returned to their previous job title at the end of the ninety (90) day working test period.
- C. In those circumstances where the City (1) creates a new job title and (2) fills that title with a person not previously in the employ of the City of Camden, the City of Camden shall negotiate the title and salary with Council #10 but may create one salary for the title in lieu of a salary range.
- D. Employees who are laid off from a permanent position through New Jersey Department of Personnel (NJDOP) layoff procedures and are rehired to permanent positions under NJDOP procedures, through reemployment rights or open competitive examination, within five (5) years, will be placed on the same step on the salary schedule upon rehire as they were on at the time of layoff.

- B. TO RECEIVE LONGEVITY PAY, an employee must be in a paying status as of January 1st of any year hereunder when longevity is to be paid. The date of payment shall be on or before the 15th of December in each year earned. If an employee leaves the service of the City after January 1st, but prior to December 31st, in good standing, such employee will receive longevity pay based on their length of service, prorated, and paid at time of termination. The aforesaid percentages are payable each year of this Agreement.

- C. Any employee who is *terminated by the City through layoff or any other means and is thereafter hired by the City under any Federal or State grant program such as CETA, subsequently, is rehired by the City and returned to the regular City payroll, shall be considered a continuous employee and shall be credited for such time spent working for the employer under the externally funded program, without loss of longevity, seniority, vacation, sick time, or any other benefits. ARTICLE XII SICK LEAVE

A. All classified employees covered by this Agreement shall be entitled to the following sick leave of absence with pay:

- (1) New employees shall receive only one working day for the initial month of employment if they begin work on the 1st through 8th day of the calendar month, and one-half working day if they begin on the 9th through the 23rd day of the month. If an employee commences work after the 23rd day of the month, no sick leave accrues to that employee for that month.

After the initial month of employment and up to the end of the first calendar year, employees shall be credited with one working day for each month of service. Thereafter, at the beginning of each calendar year, in anticipation of continued employment, employees shall be credited with fifteen (15) working days sick leave. Effective each calendar year, employees shall be credited with fifteen (15) working days sick leave. If any such employee required none or a portion only of such allowable sick leave for any calendar year, the amount of such leave not taken shall accumulate to his/her credit from year to year, and he/she shall be entitled to such accumulated sick leave with pay if and when needed. Sick leave for purposes herein is defined to mean absence from duty of an employee because of personal illness by reason of which such employee is unable to perform the usual duties of his/her position, exposure to contagious disease, a short period of emergency attendance upon a member of his/her immediate family critically ill and requiring the presence of such employee.

An employee who has been absent on sick leave for periods totaling more than 15 days in one calendar year consisting of periods of less than five days shall have his or her sick leave record reviewed by the respective appointing authority and thereafter may be required to submit acceptable medical evidence for any additional sick leave in that year. In cases where an illness is of a chronic or recurring nature causing recurring absences of one day or less, only one submission of such proof shall be necessary for a period of six months.

- (3) The immediate supervisor may, in his discretion, at any time require the employee seeking sick leave, or on return from sick leave, to submit acceptable medical evidence or undergo a physical examination. If the sick leave is not approved, the employee shall suffer loss of pay for such time.
 - (4) Any employee who does not expect to report for work because of personal illness or for any other reasons included in the definition of sick leave herein above set forth, shall notify his/her immediate superior, by telephone or personal message within one half (1/2) hour of the regularly scheduled starting time.
 - (5) Sick leave claimed by reason of quarantine or exposure to contagious disease shall be approved only upon presentation of a certificate from the local department of health.

- C. Employees who are laid off from a permanent position through New Jersey Department of Personnel (NJDOP) layoff procedures and are rehired to permanent positions under NJDOP procedures, through reemployment rights or open competitive examination, within five (5) years, will retain their seniority from their prior service with the City for longevity, sick, vacation, salary step placement and severance pay purposes.
- D. The City shall participate in the State Temporary Disability Insurance Plan, or alternatively, in an equivalent short term disability plan recommended by the Labor/Management Committee.

- C. Employees shall be granted a leave of absence without pay for the purposes of entering upon active duty with the Armed Forces of the United States, or with any organization authorized to serve therewith or with the Armed Forces of the United States in time of war or emergency or pursuant to or in connection with the operation with any system of selective service.
- D.
 - (1) An employee who is temporarily incapacitated, either physically or mentally, to perform his/her duties may be granted a leave of absence without pay in accordance with Civil Service Regulations upon the presentation of such reasonable proof of the incapacity as the employer may require. An employee shall be permitted to return from such leave of absence only upon a presentation of a certificate of fitness for work from the treating physician and after examination by a physician designated by the employer. In no event shall such leave be granted until the employee has exhausted all accrued sick leave.
 - (2) An employee may be granted an unpaid leave of absence in accordance with Civil Service Regulations either to engage in an approved course of study such as will demonstrably increase his usefulness to the employer upon return to service or for any other reasons as shall be considered good by the employer.
